CONCLUSION

On the basis of the foregoing amendments, the pending claims are in condition

for allowance. It is believed that all of the pending claims have been addressed in this

paper. However, failure to address a specific rejection, issue or comment, does not

signify agreement with or concession of that rejection, issue or comment. In addition,

because the arguments made above are not intended to be exhaustive, there may be

reasons for patentability of any or all pending claims (or other claims) that have not

been expressed. Finally, nothing in this paper should be construed as an intent to

concede any issue with regard to any claim, except as specifically stated in this paper.

Applicant is concurrently filing herewith a Petition for a two-month extension of

time and Request for Continued Examination with the requisite fee, authorization for a

credit card payment of the filing fee is submitted herewith. No additional fees are

believed to be due, however the Commissioner is authorized to charge any additional

fees or credit overpayments to Deposit Account No. 50-0311, reference No. 39700-

510001US/NC30307US. If there are any questions regarding this reply, the Examiner is

encouraged to contact the undersigned at the
